“
**WHY
CHOOSE
DIGITAL
MARKETING?**
”

Digital marketing has advanced significantly over the last fifteen years and continues to do so. There is no escaping the fact that nearly every company will, sooner or later, transform or move its operations online, and with the demand for certified digital marketing professionals outweighing the supply, there are many job opportunities for those looking to enter this field.

As a result, digital marketing certification is becoming one of the most popular career options for students and even working professionals.

ABOUT EDRUPT

Edrupt, an initiative of one of the leading digital marketing agencies, RMB (Rank My Business), has thrived and risen to the position of one of the most prominent online digital marketing training programs, covering all aspects of digital marketing and preparing you to become a certified digital marketer in a short span of 6 months.

Our program is designed to provide a unique opportunity to students (as soon as they graduate) and for professionals aiming to build their careers in the ever-growing Global Digital Marketing space which was pegged at a whopping USD 305 Billion (2020) and is expected to grow to USD 807 Billion by 2026 (Source: Expert Market Research).

ABOUT RMB

Founded in 2014, Rank My Business is a globally recognized digital marketing agency that offers the best in web development, internet marketing, data processing, and a variety of other high-quality digital marketing services. With its headquarters in Melbourne, Australia, RMB now has clients in India, the United States, Australia, Spain, Mauritius, and the United Arab Emirates.
